Planning Staff, DCI

SUBJECT : Comments on [redacted]
[redacted] Paper

STAT

1. I rather like the program of indoctrination of [redacted] as developed. In many aspects, I think that our own Agency program for the indoctrination of people going overseas might be improved, but I don't see any way in which this organization could be used by the DDI Area directly. If you have not shown a copy of it to OTR, I would like to suggest that you bring it to their attention.
